PROGRAM GUIDE**2D REQUEST FOR CERTIFICATE OF CORRECTION**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

It is requested that a corrected or additional Certificate of Correction be issued correcting printing errors appearing in the above-identified United States patent. In Applicants' first Request for Certificate of Correction (filed on July 27, 2006), Applicants requested correction of column 42, line 4 (after "assigner" delete "adapted"). Support for the requested correction can be found in the October 19, 2005 Examiner's Amendment. The requested correction of column 42, line 4, is not included in the December 12, 2006 Certificate of Correction. Two copies of the text of the Certificate in the suggested form are enclosed.

Please charge the certificate of correction fee, if any, pursuant to 37 CFR 1.20(a), to counsel's Deposit Account No. 20-0782/SEDN/246.

Issuance of the Certificate of Correction would neither expand nor contract the scope of the claims as properly allowed, and re-examination is not required.

Respectfully submitted,

DONALD F. GORDON ET AL.
